Sir,

With reference to your Official Memorandum No.1412/Muz.2.30-25 dated 23rd December 1930 forwarding for disposal the petition of Parvathamma, daughter of the late Mr.Havathur Srikantiah, requesting that the scale of expenditure on account of the sevartha instituted by her father during the Girijakalyana at the Sri Srikanteswaraswami temple at Nanjangud may be limited to Rs.350/- in-stead of Rs.500/- as the income from the --- endowed lands has gone down etc., I have the honor to forward herewith a copy of letter No.H546/30 dated 21st July 1931, together with the -- connected records, received from the Deputy Commissioner, Mysore District, and to state as follows:-

The offer of one Mr.Srikantiah of Havathur to conduct Santharpane during the Girijakalyana of the Sri Srikanteswaraswami temple at Nanjangud was accepted on certain conditions in Government Proceedings No.3142 dated 14th December 1906. After the death of the donor his son-in-law Mr.Venkatasubbiah offered certain lands with a view to give permanancy to the sevartha instituted by his father-in-law and the -- offer was accepted in Government Order No.131-3/Muz.28-5-07 dated 9th July 1910 under the same conditions as in the Government Order dated 14th December 1906 and he was permitted to continue the sevartha. -- After the death of Mr.Venkatasubbiah in 1925, the management of the -- endowed lands was transferred to his wife, the petitioner Parvathamma, on her executing a mutchalika to the effect that she ould pay Rs.500/- annually for the conduct of Santharpane.(vide Deputy Commissioner's order dated 29-7-1927 endclosed in the file.) The petitioner now --

petitioner now requests that she may be allowed to pay only Rs. towards the sevartha as the income from the lands has appreciably -- gone down.

The Amildar of the Yedatore taluk, where the endowed lands are situate, reports that the gutta paddy realised on the lands during 1929-30 was 44 candies and that during 1930-31 was only 40 candies, - and that the price per candy of paddy in the former year was Rs.12/- and that during the latter was Rs.7/- or 7-8-0 . Both the temple Dharmadarsis and the Sub Division Officer Nanjangud opine that the petitioner should pay Rs.500/- as per her agreement. But the Deputy Commissioner, Mysore, states that as the price of paddy has gone down, the yield on - the land can not fetch Rs.500/- and she can not therefore, conduct. --- feeding on the old scale of Rs.500/-, that as the prices of articles of food stuff have also gone down a sum of Rs.350/- would now go as far as Rs.500/- went formerly and the Dharmadarsis have, under the circumstance, no cause to grumble and as such recommends that the prayer of the ---- petitoner may be granted until the price of paddy goes up again.

The lands endowed to the temple for the particualar seva are found from the records to have been yielding 60 candies per annum in 1928 when Parvathamma was granted lease for 5 years on the condition -- of paying annually Rs.500/- to the temple. The Amildar now reports that the gutta has fallen down to 40 candies, the value of which works out only to Rs.300/- at the present low price of paddy. In these -- circumstances the offer of Rs.350/- by Parvathamma may be considered - quite fair. As opined by the Deputy Commissioner, as the price of -- food stuffs is now very low, asum of Rs.350/- may now be expected to - go as far as Rs.500/- before. I therefore, recommend that as proposed by the Deputy Commissioner, Parvathamma may be permitted to pay Rs.350/- per annum for the santharpane expenses, during the remaining period of the lease and till the prices go up.

I have the honor to be,

Sir,

Your most obedient servant,

S Majagonal

Muzrai Commissioner.

.546/30 dated 21st July 1931 from the Deputy Commissioner (5)
s Di ict, to the Muzrai Commissioner in Mysore.

With reference to your official memorandum No.1089/30-31 date 3/7th January 1931 calling for my opinion on the petition of Parvathamma praying that the Girijakalyana of the Nanjangud temple may be permitted to be conducted by her at a cost of Rs.350/- as against Rs.500/- .She was hitherto spending, I have the honor to state that from the file of records it is seen that an extent of 16 acres 8½ Gs. of land endowed by the late Mr. Srinkantiah of Havathur in Yedatore taluk, for feeding during the Girijakalyana of Nanjagud temple, was being managed by his son-in-law Venkatasubbiah, as per Govt.Order No.131-51 Muz.286-07 dated 9-7-1910, who was utilising the annual income of Rs.500/- realised from the lands for the intended purpose. After the death of Venkatasubbiah the management of these lands was transferred to his widow Parvathamma, as per this office order dated 29-7-1927, for a period of five years, subject to the condition that a mutchalika should be obtained from her for prompt payment of the gutta amount in time, to the Amildar, Nanjangud.

Accordingly, she gave a mutchalika on 15-9-28 stating that the gutta on the lands had diminished and the kandayam on the lands had -- increased owing to the resurvey and settlements introduced into Yedatore taluk, and that she would pay Rs.500/- annually for the seva.

In her petition received with your official memorandum under reply, she has prayed that as the income on the lands has gone down she may be allowed to conduct the Girijakalyana seva at a cost of Rs.350/- instead of Rs.500/-.

The Dharmadarsis of the Nanjangud temple and the Sub Division officer, Nanangud, state that Parvathamma should pay Rs.500/- according to her agreement.

The Amildar of Yedatore taluk, reports that the gutta paid realized on the lands during 1929-30 was 44 candies and that during -- 1930-31 was 40 candies, and that the price per candy of paddy during the former year was Rs.12/- and that during the latter was Rs.7/- on Rs.7/-

As the price of paddy has gone down, the yield on the lands cannot fetch Rs.500/- and she cannot, therefore, conduct feeding on the old scale of Rs.500/-. Under the circumstances, the prayer of the petitioner may be kindly granted, until the price of paddy goes up again. As the prices of articles of food are down, I should think that Rs.350/- now, will

(b)

would go as far as Rs.500/- went formerly and the Dharmadarsis cause to grumble.
